

Message From The Chairman

As we close another chapter, I'm proud to share highlights from a remarkable year at Valley Wide Cooperative. Serving as your board chairman has been a privilege, and 2024 has been a year of growth, reinvestment, and success for our cooperative.

This year, we achieved a net income of \$22 million, made possible by the steadfast support of our members and the dedication of our employees. Significant milestones included adding new fuel and farm stores in Nampa and Meridian, Idaho, opening a new store in Wendell, Idaho, and constructing a bulk fertilizer facility in Royal City, Washington. These investments help us serve our members more effectively while positioning Valley Wide for continued success.

The board allocated \$13 million to our members this year, with \$3.8 million distributed in cash and \$3 million in stock retirement. We remain committed to achieving our goal of revolving equity every 10 years—a mission we are proud to be on track to accomplish.

A major highlight of 2024 was our merger with Stanislaus Farm Supply, which brought new members into the Valley Wide family and expanded our footprint into California. This merger ensures strong representation for all regions, including the addition of new board members for the newly created District 4.

Valley Wide's vision is to be the supplier of choice, and we work every day to deliver value to you through competitive pricing, exceptional service, and quality products. Thank you for your continued trust and support. I look forward to another prosperous year ahead and wish you all a safe and successful 2025.

Sincerely,

Adam Clark

Chairman of the Board
