

## District 2

### **Eric Kasper – Melba, Id**

Eric Kasper owns Melba Valley Farms in Melba, Idaho, farming over 3,200 acres of forage crops while also participating in dairy and cattle operations that milk 5,500 cows. He is a partner in Clear Creek Ranch in Nevada and Kasper Land and Cattle.

Eric and his wife, Dr. Megan Kasper, have three children and maintain strong ties to their family's Dutch dairy farming heritage. Eric serves on the

Valley Wide Cooperative board, Valley Agronomics board, and as a fire commissioner for the Melba Rural Fire Protection District. He holds a Bachelor's degree in Animal Science from the University of Idaho.
